

What is XALO Ageless?

XALO Ageless is a premier rejuvenating product based on the wholesome benefits of mangosteen and shilajit. Using a holistic approach to address aging at the cellular level, XALO Ageless optimizes cellular energy to rejuvenate your body and reduce the signs of aging.

What are the key ingredients in XALO Ageless?

XALO Ageless contains unique blends of mangosteen, L-Leucine, shilajit, GABA, tribulus terrestris, grape-skin extracts, and aloe vera.

When do I take XALO Ageless?

Growth and recovery happens during sleep. For best results, XALO Ageless should be taken 1-2 hours before bedtime.

Can I take XALO Ageless with XANGO® Reserva?

Absolutely! XALO Ageless was formulated to complement and synergistically work with XANGO Reserva.

Can children take XALO Ageless?

No. XALO Ageless is formulated and recommended for adults (18+) only.

Can I take XALO Ageless if I am pregnant or a nursing mother?

No. Although the ingredients in XALO Ageless are safe, it is not intended for use during pregnancy or by nursing mothers.

Are there any stimulants in XALO Ageless?

No. XALO Ageless is stimulant-free.

What are some of the benefits of using XALO Ageless?

XALO Ageless promotes rejuvenation by supporting skin and heart health, the immune system, and mental and cognitive function.

What is cellular aging?

Cellular aging occurs when free radicals damage mitochondrial DNA. This causes mitochondrial dysfunction with lowered ATP production, cellular energy depletion and cellular expiration.

What are mitochondria?

Mitochondria are the powerhouses of all cells. They produce roughly 90% of the cell's energy needs, in the form of adenosine triphosphate (ATP). Mitochondria are present in every cell in our bodies.

Why is Shilajit important?

Shilajit has been used for 3,000 years in Ayurvedic practice, because of its numerous health benefits. It is most commonly known as a rejuvenator and an adaptogen.

Is XALO Ageless gluten-free?

Yes. XALO Ageless is gluten-free.

Do I need to take XALO Ageless with food?

No. You do not need to take XALO Ageless with food.
